Suite 101 A
Greeley, 80634
352-4112
Regional Director - Gary Hickmon
1319 Lingworth Bldg.
Washington D.C.

INTRODUCTION

The 1981-1982 Directory of Colorado Libraries and Library Statistics contains listings for 723 agencies and organizations with major categories as follows:

38	academic libraries
133	public library and library district headquarters
106	public library branches
127	public library boards with 713 members
7	region library service systems
240	special libraries
15	boards of cooperative services
27	school media programs
30	related organizations and institutions

The information for this directory was collected late in 1982. The format is the same as last years edition. The public libraries are listed by their official name. We have provided an index by city which lists all of the libraries in each community. I have added a thumb index and change of information forms (pg. 101) for your convenience in locating information and sending us new information.

A special "thank-you" is due to the Colorado library community for the information you provided for the publication. Each organization listed in this edition will receive a courtesy copy. This directory is not copyrighted and may be reproduced.

Colorado Council For Library Development

The Colorado Council for Library Development, established in 1962 to advise the Colorado State Board of Education and the State Library, is empowered to study and recommend action on matters affecting all types of libraries in Colorado. It also acts as the official advisory body for programs under the Library Services & Construction Act.
